The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF SOLE SOURCE PROPOSITION A AGREEMENT  
FOR HOUSEKEEPING STAFFING SERVICES  
(SUPERVISORIAL DISTRICT 1)  
(3 VOTES)**

**SUBJECT**

Request approval of a new sole source Proposition A agreement with Diamond Contract Services, Inc. for supplemental Housekeeping Staffing Services for the Department of Health Services.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Make a finding pursuant to Los Angeles County Code Section 2.121.420 that Housekeeping Staffing Services, as described herein, can be performed more economically by an independent contractor.
2. Instruct the Mayor to execute a Proposition A (Prop A) Agreement with Diamond Contract Services, Inc. (Diamond), effective upon Board approval, for the provision of Housekeeping Staffing Services at LAC+USC Medical Center (LAC+USC MC) for one year, with an annual total cost of \$2,546,469 and an option to extend the term on a month-to-month basis, not to exceed six months, for an additional cost not to exceed \$1,273,234.
3. Delegate authority to the Director of Health Services (Director), or his designee, to execute amendments to the Agreement to: a) exercise the option to extend the term on a month-to-month basis for up to six months under the same terms and conditions; b) add and/or change non-substantive terms and conditions in the Agreement as required by your Board; c) delete staff and make necessary changes to the scope of services; and d) add additional

staff for emergency and expanded services at a cost not to exceed 10 percent of the annual maximum contract sum.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

The Department of Health Services (DHS) currently accesses Internal Services Department's (ISD) custodial contract for supplemental custodial services at LAC+USC MC. These services are used to augment County staff. Until recently, ISD provided DHS with this supplemental staffing using a contract with Premier Building Maintenance Services (Premier). However, as ISD advised your Board on July 5, 2011, Premier gave notice that it filed a Chapter 11 bankruptcy petition on June 27, 2011 and subsequently ceased providing services. As a result, ISD made temporary arrangements with Diamond to provide services until DHS obtained a replacement agreement.

Approval of the Recommendations will enable Diamond to continue the provision of services at LAC+USC MC pursuant to a DHS administered Agreement until a competitive solicitation can be completed by DHS. This Agreement will give DHS the reasonable transition period that it initially had hoped to have and also will ensure uninterrupted housekeeping services to maintain patient care and safety. DHS will release a Request for Proposal by November 1, 2011.

Approval of the first recommendation is necessary to comply with Los Angeles County Code Section 2.121.420, which requires that contracting under Prop A be cost-effective and operationally feasible. DHS and the Auditor-Controller (Auditor) have made that determination and Attachment A provides the cost analysis.

Approval of the second recommendation will allow the Mayor to execute a sole source Agreement with Diamond, Exhibit I, to provide Housekeeping Staffing Services at LAC+USC MC for the recommended term.

Approval of the third recommendation will allow the Director to exercise delegated authority in compliance with Los Angeles Code Section 2.121.300. The Agreement contains an express delegation of this authority for the Director to: a) exercise the option to extend the term of the Agreement; b) add and/or change non-substantive terms and conditions in the Agreement as required by your Board; c) delete staff and make necessary changes to the scope of services; and d) add additional staff for emergency and expanded services at a cost not to exceed 10 percent of the annual maximum contract sum.

### **Implementation of Strategic Plan Goals**

The recommended actions support Goal 1, Operational Effectiveness, and Goal 4, Health and Mental Health, of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The annual estimated net County contract costs for the provision of Housekeeping Staffing Services for LAC+USC MC is \$2,546,469 (Attachment B). A cost analysis for Housekeeping Staffing Services was prepared in accordance with Auditor-Controller guidelines and methodologies. DHS has determined that the contract is cost-effective. Attachment A provides additional information.

Funding is included in the DHS Fiscal Year (FY) 2011-12 Adopted Budget and will be requested as a continuing appropriation in future fiscal years' budgets.

The Sole Source Agreement under the Prop A exception to the Civil Service requirement to use County employees will save the County approximately \$782,646, an average savings of 24 percent for LAC+USC MC.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The recommended Sole Source Agreement is for a one-year term with six (6) one month extensions. Attachment C is a sole source justification checklist in compliance with Board Policy 5.100.

The Agreement may be terminated for convenience by the County at its sole discretion, with no less than ten days' written notice.

County Counsel has reviewed and approved the recommended Agreement as set forth in Exhibit I as to use and form.

Chief Executive Office, Risk Management has reviewed and approved the insurance and indemnification provisions of the Agreement.

It has been determined that the provision of services by the Contractor under the recommended Agreement is subject to Prop A guidelines which include the Living Wage Program set forth in Los Angeles County Code Chapter 2.201. Contractor is in compliance with the Living Wage Program requirements.

The award of this Agreement will not result in unauthorized disclosure of confidential information.

	➤ Only one bona fide source for the service exists; performance and price competition are not available.
X	<p>➤ Quick action is required (emergency situation).</p> <p>The Department of Health Services (DHS) currently accesses the Internal Services Department (ISD) custodial contracts for supplemental custodial services at LAC+USC Medical Center (LAC+USC MC). 	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is most cost-effective to obtain services by exercising an option under an existing contract.

## SOLE SOURCE CHECKLIST

X	<p>➤ It is in the best interest of the County e.g., administrative cost savings, excessive learning curve for a new service provider, etc.</p> <p>Negotiation and approval of this agreement with Diamond will enable DHS to complete the transition from the ISD contracts and enter into a Proposition A/Living Wage compliant agreement for the three DHS facilities. The estimated savings from contracting for the Facility is 24%.</p>

**8.47 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM**

Failure of the Contractor to maintain compliance with the requirements set forth in subparagraph 8.16 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to subparagraph 8.47 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

**8.48 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Failure of Contractor to maintain compliance with the requirements set forth in Subparagraph 8.17 - Contractor's

Warranty of Compliance with County's Defaulted Property Tax Reduction Program shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

#### **8.49 TERMINATION FOR CONVENIENCE**

- 8.49.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.
- 8.49.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:
- Stop work under this Contract on the date and to the extent specified in such notice, and
  - Complete performance of such part of the work as shall not have been terminated by such notice.
- 8.49.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with subparagraph 8.43, Record Retention and Inspection/Audit Settlement.

## **8.50 TERMINATION FOR DEFAULT**

8.50.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of :

- Contractor has materially breached this Contract; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.50.2 In the event that the County terminates this Contract in whole or in part as provided in subparagraph 8.50.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this subparagraph.

8.50.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in subparagraph 8.50.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor.

Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor(s)" means Subcontractor(s) at any tier.

8.50.4 If, after the County has given notice of termination under the provisions of this subparagraph 8.50, it is determined by the County that the Contractor was not in default under the provisions of this subparagraph 8.50, or that the default was excusable under the provisions of subparagraph 8.50.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to subparagraph 8.49 - Termination for Convenience.

8.50.5 The rights and remedies of the County provided in this subparagraph 8.50 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

## **8.51 TERMINATION FOR IMPROPER CONSIDERATION**

- 8.51.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.51.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.51.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

## **8.52 TERMINATION FOR INSOLVENCY**

- 8.52.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the

Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.52.2 The rights and remedies of the County provided in this subparagraph 8.52 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

#### **8.53 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE**

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

#### **8.54 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated

for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

**8.55 UNLAWFUL SOLICITATION**

Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e. State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees to utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

**8.56 VALIDITY**

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

**8.57 WAIVER**

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.54 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

**8.58 WARRANTY AGAINST CONTINGENT FEES**

8.58.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this

Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

- 8.58.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

## **9.0 UNIQUE TERMS AND CONDITIONS**

### **9.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM**

#### **9.1.1 Living Wage Program**

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Contract.

#### **9.1.2 Payment of Living Wage Rates**

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County,

including, without limitation, "Travel Time" as defined below at subsection 5 of this Subparagraph 9.1.2 under the Contract:

- a. Not less than \$11.84 per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
  - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, the Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this subparagraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this subparagraph. The provisions of this subparagraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the

subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the

Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between the Contractor and the County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

#### **9.1.3 Contractor's Submittal of Certified Monitoring Reports**

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County.

The certified monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (Exhibit K, Monthly Certification for Applicable Health Benefit Payments and Exhibit L, Payroll Statement of Compliance), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

**9.1.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims**

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment

discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

**9.1.5 County Auditing of Contractor Records**

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

**9.1.6 Notifications to Employees**

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

**9.1.7 Enforcement and Remedies**

If the Contractor fails to comply with the requirements of this subparagraph, the County shall have the rights and

remedies described in this subparagraph in addition to any rights and remedies provided by law or equity.

1. Remedies For Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a

penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

- c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

- 2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding Payment. If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its

Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$100 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
- c. Termination. The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3. Debarment. In the event the Contractor breaches a requirement of this subparagraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

#### **9.1.8 Use of Full-Time Employees**

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

#### **9.1.9 Contractor Retaliation Prohibited**

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or

person. A violation of the provisions of this subparagraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

#### **9.1.10 Contractor Standards**

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

#### **9.1.11 Employee Retention Rights**

1. The Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:
  - a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and
  - b. Who has been employed by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and
  - c. Who is or will be terminated from his or her employment as a result of the County entering into this new contract.
2. The Contractor is not required to hire a retention employee who:

- a. Has been convicted of a crime related to the job or his or her performance; or
  - b. Fails to meet any other County requirement for employees of a Contractor.
3. The Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor's other employees.

#### **9.1.12 Neutrality in Labor Relations**

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

### **9.2 DISPLACED JANITOR OPPORTUNITY ACT**

This Contract is subject to the provision of the Displaced Janitor Opportunity Act (California Labor Code Section 1060 – 1065) because it is a Contract for janitorial or building maintenance services performed within the State of California entered into on or after January 1, 2002. Please go [www.leginfo.ca.gov/calaw.html](http://www.leginfo.ca.gov/calaw.html) for the code sections. Under this Act, as specified, a successor Contractor or successor Subcontractor shall retain, for a sixty (60) day transition employment period, employees who have been employed by the terminated Contractor or its Subcontractors, if

any, for the preceding four months or longer at the site or sites covered by the successor service Contract unless the successor Contractor or successor Subcontractor has reasonable and substantiated cause not to hire a particular employee based on that employee's performance or conduct while working under the terminated Contract.

IN WITNESS WHEREOF, Contractor has executed this Contract, or caused it to be duly executed and the County of Los Angeles, by order of its Board of Supervisors has caused this Contract to be executed on its behalf by the Chair of said Board and attested by the Executive Officer-Clerk of the Board of Supervisors thereof, the day and year first above written.

## JURY SERVICE ORDINANCE

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalet y el padre/madre o el adulto que lo entregue recibirá un brazalet igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalet con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

# **PROP A - LIVING WAGE PROGRAM**

## **EXHIBITS J, K & L**

Title 2 ADMINISTRATION  
Chapter 2.201 LIVING WAGE PROGRAM

**2.201.010 Findings.**

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 2007-0011 § 1, 2007: Ord. 99-0048 § 1 (part), 1999.)

**2.201.020 Definitions.**

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the county:

a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or

b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and

c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or

2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief administrative officer, but in no event less than 35 hours worked per week.

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et seq. of this code, entitled Contracting with Private Business. (Ord. 2007-0011 § 2, 2007: Ord. 99-0048 § 1 (part), 1999.)

**2.201.030 Prospective effect.**

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.\* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 § 1 (part), 1999.)

\* **Editor's note:** Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

**2.201.040 Payment of living wage.**

B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate. (Ord. 2007-0011 § 3, 2007: Ord. 99-0048 § 1 (part), 1999.)

**2.201.050 Other provisions.**

A. Full Time Employees. B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

C. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue

The chief administrative officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

D. Compliance Certification. An employer shall, during the term of a Proposition A contract, or a cafeteria services contract, report for each employee and certify the hours worked, wages paid, and amounts the employer paid for health benefits, and provide other information deemed relevant to the enforcement of this chapter by the county. Such reports shall be made at the times and in the manner set forth in instructions issued by the chief administrative officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.

E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ord. 99-0048 § 1 (part), 1999.)

**2.201.060 Employer retaliation prohibited.**

No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief administrative officer, or to the county auditor controller, or to the county department administering the Proposition A contract or cafeteria services contract. (Ord. 99-0048 § 1 (part), 1999.)

**2.201.070 Employee retention rights.**

In the event that any Proposition A contract or cafeteria service contract is terminated by the county prior to its expiration, any new contract with a subsequent employer for such services shall provide for the employment of the predecessor employer's employees as provided in this section.

A. A "retention employee" is an employee of a predecessor employer:

1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;
2. Who has been employed by an employer under a predecessor Proposition A contract or a predecessor cafeteria services contract for at least six months prior to the date of a new contract; and
3. Who is or will be terminated from his or her employment as a result of the county entering into a new contract.

B. Subsequent employers shall offer employment to all retention employees who are qualified for such jobs.

C. A subsequent employer is not required to hire a retention employee who:

**CONTRACTOR’S OBLIGATIONS AS A “BUSINESS  
ASSOCIATE” UNDER THE  
HEALTH INSURANCE PORTABILITY AND  
ACCOUNTABILITY ACT OF 1996  
AND THE HEALTH INFORMATION TECHNOLOGY FOR  
ECONOMIC AND CLINICAL HEALTH ACT (BUSINESS  
ASSOCIATE AGREEMENT)**

**CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (BUSINESS ASSOCIATE AGREEMENT)**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

**DEFINITIONS**

1.1 "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.

**CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (BUSINESS ASSOCIATE AGREEMENT)**

1.2 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.3 "Electronic Health Record" has the same meaning as the term "electronic health record" in the HITECH Act, 42 U.S.C. section 17921. Electronic Health Record means an electronic record of health-related information on an individual that is created, gathered, managed, and consulted by authorized health care clinicians and staff.

1.4 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

1.5 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

**CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (BUSINESS ASSOCIATE AGREEMENT)**

1.6 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.8 "Privacy Rule" means the Standards for Privacy of Individually Identifiable Health Information at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164, also referred to as the Privacy Regulations.

1.9 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.10 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a

1.11 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.12 "Security Rule" means the Security Standards for the Protection of Electronic Health Information also referred to as the Security Regulations at 45 Code of Federal Regulations (C.F.R.) Part 160 and 164.

1.13 "Services" has the same meaning as in the body of this Agreement.

1.14 "Unsecured Protected Health Information" has the same meaning as the term "unsecured protected health information" in 45 C.F.R. § 164.402.

1.15 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

## **MEDICAL HEALTH SCREENING**

## **Medical Health Screening**

All potential Contractor personnel shall complete to the satisfaction of County a medical health screening to determine if the person meets the medical criteria and immunizations standards established for the prospective job classification/assignment before commencing services. The Contractor shall use the DHS Forms and medical health screening methodology provided in the Contractor package.

The medical health screening shall be performed by a physician or other licensed healthcare professional (PLHCP) authorized to perform such a physical screening, with such cost at the expense of the Contractor. If the Contractor chooses to have the DHS Employee Health Services (EHS) perform such assessments and screening, the Contractor will be billed for the services regardless if the Contractor's staff passes or fails the screening. Contractor personnel shall present a letter on Contractor letterhead authorizing personnel to obtain the screening from DHS' EHS. DHS EHS will bill the Contractor for the cost and/or deduct the amount from funds owed.

Contractor personnel shall provide DHS EHS with documentation of health screenings and evidence of the absence of communicable diseases using the County's "Health Clearance Certification, E2" form. The Certification form must be completed by the prospective Contractor personnel and their health care provider, then by the Contractor attesting verification of completion of DHS forms.

The Contractor must provide DHS EHS with the source documents for review within four (4) hours of a request. Source documents pertaining to the pre-employment health evaluation, Tuberculosis, Respiratory Fit Testing, and other immunizations will be maintained by the contractor. Failure to provide appropriate source documentation of health screenings/clearance will result in immediate termination of assignment and placement of Contractor's personnel in a "Do Not Send" status until compliant.

DHS Facility Staff are required to ensure the Contractor personnel receives the appropriate documents; has submitted them to the facility EHS and has obtained health clearance prior to beginning the work assignment.

No person will be allowed to work at anytime inside a DHS medical facility without appropriate documentation of health screening. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be obtained and on file. Lack of immunity to certain diseases will restrict assignment locations within the hospital.

All Contractor personnel who have potential exposure to respiratory hazards and/ or aerosol transmissible disease shall provide appropriate documentation of a respiratory

fit test on the same make, model, style, and size of respirator that will be used in facility. If indicated, this requirement is mandatory annually.

Per County policy, Contractor personnel are required to comply with annual health screening. Unless provided for per contract, Contractor personnel shall have their PLHCP conduct the assessment in accordance with County policy and procedures. This documentation is the "Health Clearance Certification, E2". The workforce member will be provided with the necessary documentation for completion and submission to their PLHCP. The PLHCP will complete the documents and submit them to the Contractor, as appropriate, with the completed certification form.

Contractor personnel may be given a 30-day reminder to comply with annual health screening requirements. Contractor personnel who do not comply with annual or other health screening requirements will be given a letter indicating they have five (5) days to comply or face termination of assignment. A copy of the "letter" will be provided to the Contractor personnel's supervisor for action. Failure to provide documentation of health screening/clearance will result in immediate termination of assignment and placement in a "Do Not Send" status until compliant.

Emergency services will be provided post-exposure to Contractor personnel who have potential exposure to occupational hazards within the allowable time frames, but will be billed to the Contractor, as appropriate. Contractor personnel who are exposed to occupational hazard or incur injury while performing their duties for the County will be reported on the OSHA Log 300/301, as required by state and federal regulation and guidelines.

In the event of an occupational needlestick injury or other exposure to Contractor personnel to blood and body fluids or airborne contaminants, medical care will be provided by the DHS EHS or Emergency Room, but will be billed to the Contractor, as appropriate. Contractor personnel may go to the facility DHS EHS or the designated department for initial care within the allowable treatment time frames. Cost of initial treatment will be billed to the Contractor, as appropriate. Subsequent follow-up treatment will be conducted through the appropriate agency's medical provider or the employee's personal physician. If Contractor chooses to have the DHS EHS provide subsequent follow-up care, the Contractor will be billed accordingly.
